*Liaised with residents and County Council to solve parking problems (The Ridings, Windmill Close, Lynwood Road)*

*Advising residents about the plans to develop South Hatch*

*Conducted College Ward survey and presented your ideas to council (whole ward!)*

*Campaigned against back-garden development, now enshrined in law*

*Conducted Bridge Road residents' survey about changes to parking restrictions*

*Weekend parking restrictions to make sure footballers can park safely (Alexandra Road) (and the pedestrian crossing was a FOCUS initiative a few years ago too)*

# What local people say about the FOCUS team

**David Gulland** (above) with Gary from Ashley Road. *"I have known David for about 25 years. Knowing what he has done in his professional career, I think we need more people like him on the council."*

**Andre Kubicek** (below) with Nick from The Ridings. *"Andre's always taken an active interest in local issues and I'm really pleased he's standing for council - he'll be a great councillor for this ward."*

**The FOCUS team** (left) with Rachel from Links Road. *"I'm glad FOCUS is delivered to us regularly because it's a really interesting read as well as being the only way I know what's going on in my area."*
