This election is about choosing the best team for College Ward

FOCUS

The **FOCUS** team have been calling round all the houses in College Ward to see you personally. If we haven't caught you in, we're sorry to have missed you, but hope you have been able to read the **FOCUS** leaflets we have put through your letter-box.

With just a few days until the election on May 2nd, we want to reiterate the pledge we made to you in the first election **FOCUS**, that we will:

- Keep in touch via **FOCUS** and ask your opinion
- Hold regular councillors' advice surgeries
- Attend council meetings to vote on your behalf
- Be visible, available and active on social media
- Work hard for all the people of College Ward

We think this promise is **important** and worth repeating!

**DAVID GULLAND
 ANDRE KUBICEK
 JULIE MORRIS**
 are your Lib Dem **FOCUS** Team
 candidates for the local elections
 on Thursday May 2nd

It's a clear choice in our area:

The Lib Dem FOCUS Team

- Liberal Democrat councillors ALWAYS represent their ward on the Planning Committee.
- Your **FOCUS** team has been issuing newsletters for the past 22 years and have conducted numerous surveys.
- Liberal Democrats are successful in local government, such as neighbouring Kingston and Sutton.

OR

Just More Conservatives

- None of the current Conservative councillors in College ward has taken a seat on the Planning Committee in four years.
- In our across-the-ward survey last year, 68% of those who responded said they don't hear from their Conservative councillors
- They represent a party that in government is making a right mess of the national situation.

The Lib Dem FOCUS Team

- The **FOCUS** team will take up your issues and liaise with the council for you.
- The **FOCUS** team are all local people with no hidden political background.
- We ask your opinion first. Our policies are based on your views and we will always fight on your behalf.

OR

Same Old Residents' Party

- They refer you to the borough council switchboard if you have local problems.
- One of their candidates stood for UKIP in the general election.
- They form their own ideas on planning issues without consulting residents, then have to do a U-turn when they find out it's not what you want.

A Quick Word About **FOCUS**

FOCUS is the community newsletter that lets you know what is going on in College Ward and what we're doing about it, and giving you a way to feed your comments and concerns back to us. And we have a dedicated army of volunteer deliverers who are also part of the **FOCUS** team. (Many thanks to all of you.)

That's why we promise that the next issue of **FOCUS** will be back to its usual format of news and campaigning. We'd love to be able to tell you in that issue that we are your new councillors.

So, if you like **FOCUS**, please vote for
your Liberal Democrat Focus team on May 2nd.
